## Oregon State University Track & Field Complex Corvallis, OR

### PROJECT PORTFOLIO

Product:  
Contractor:

System 4000, System 2000  
Emerik Construction, Portland, OR

Oregon State is a leading public research university located in Corvallis, one of the safest, smartest, greenest small cities in the nation.

The Sport 4000 (277ft) and Sport 2000 (663ft) were used to help with drainage.
